On behalf of myself, and the staff of Moderustic.com, We would like to wish all our customers, and their families a very "Happy New Year". May it be filled with happiness, Health, and Prosperity. This is a very exciting time for www.Moderustic.com. We have been very busy designing, & creating, exciting custom fire features, and shipping them to all our customers throughout the world. This is also a very busy time of season, especially for fireplace conversions. (Just send an email of a digital photo of your fireplace, dimensions (depth, front & back width,) to, Ed@Moderustic.com, as seen in the diagram below) ask how you can convert a wood-burning fireplace to a decorative fireplace with Fire Glass. Very simple to create, Elegant, Beautiful, Non-toxic and soot free. For more information about our innovative "State of the Art Products" and also how to transform your Fireplace with Fire Glass Visit our website at www.Moderustic.com

Product of the Month

Wine Barrel Fire Pits

www.Moderustic.Com

Wine Barrel Fire Pit/Table** are built to work with Natural Gas or Propane. For more information on our Unique Innovative Fire Media Visit www.Moderustic.com

Our Propane and Natural Gas wine barrel fire pits are designed to safely, and cleanly burn fireglass. Decorative and functional; they make for a unique recreational outdoor fire feature; or the perfect addition to a wine lovers backyard, or patio.

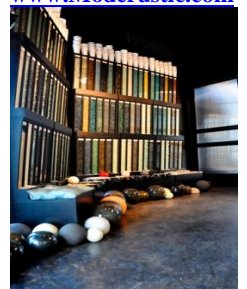

**prices vary with each unit.

Customer Highlight of the Month!

LARRY KIRCHNER'S CUSTOM BURNER

Larry also requested that Moderustic Inc build Two Custom Glass Boxes to accompany pool Side Fire Pits. We used 1/2" Clear Glass and Stainless Steel for Custom Boxes, Which successfully Enclosed the flames so to prevent Fluttering in the wind.

Moderustic Inc

www.Moderustic.com

Our www.Moderustic.com Customer, Larry Kirchner is a Client out of Palm Springs, California. Larry wanted a custom outdoor bent #304 Stainless Steel burner for His Natural Gas Fire Pit. The Custom *bent* burner had a 3/4 " hub connection to assure a quality flame.

Every Custom Product is Rigorously tested at our [Moderustic Inc](http://www.Moderustic.com) Facility, before shipment.

Fire Glass (1/4" Clear Base Glass) was used in Larry's Fire Pit. For more information on this Custom Fire Pit Feature, and many other Moderustic Inc Products Call (909) 989-6129 or Visit www.Moderustic.com
