Moderustic® is proud to have been issued 5 U.S. Patent Numbers and Notice of Allowance on #6 status! 6th is a product Patent, 5th is a divisional Patent. Covering our method of creating tumbled tempered glass for use in fireplaces and fire pits. Patent Applications Published 2005, 2006, 2014 and 2022 and..... More still Coming

Starting mid 2022, we will be launching a new campaign. This marks the beginning of a whole new era for our company. One area in where we expect great prosperity and opportunity as we began multiple waves Patent enforcement across the country. We believe this is the industry we had created, the FireGlass industry.

As it is, we are experiencing exceptional growth with many of our product lines, (approximately 60 product lines) often shipping globally and dealing with national, high profile commercial projects. Known as a go-to destination for one of kind features and projects that are often believed not do-able; our reputation as custom metal fabricators/ creators with unparalleled Pyrotechnics' grows daily.

With all this potential we are exploring the possibility of sharing this opportunity with the right individuals/ companies. We firmly believe that in the right hands our innovative products may present immense opportunity. This is not a cookie cutter franchise package, nor a percentage sale of our company. Rather this is a "**product(s) specific investment**" that begins with a conversation and arrives at a mutually beneficial partnership.

Meaning the ideal candidate is a seasoned professional in their field of business and is looking to not only invest but help market and grow all our product lines and various business aspects; from marketing, sales and operational structure. In exchange you will receive a percentage of all sales from your particular niche. So, if you have the experience and financial liberty to join our company, please contact us today to set up a meeting. Details to be negotiated and discussed.
